Living With Us

Dining

Choose to wine and dine at any of The Sands' gourmet restaurants and bars. Explore each one of them and discover their unique features, ranging from the hotel's main restaurant that serves three daily buffets, a quiet air conditioned à la carte restaurant that overlooks the pool and serves a daily high tea menu, a host of refreshing cocktails, fresh juices, and snacks, or a specialty restaurant situated at the far end of the garden. And if you're looking to perk up your appetite, explore the unique, open bar with a sandy floor, or pick the regular bar that's situated within the hotel premises.

The Sands has a host of activities for its guests, ranging from indoor and outdoor games for adults and kids, special theme nights on weekends and during holiday seasons, and live entertainment in the restaurants and bars. And if you're feeling adventurous, our in-house night club is open throughout the week playing R&B, hip hop, and retro music. The Sands is also just a 30-minute drive away to Bentota, a haven for water sports.
